Gold Package

Your big day is finally here! We'll capture every facet of your celebration: the nervous anticipation beforehand, the solemnity and joy of the ceremony, and the excitement and festivities afterward. That's why you should invest in a Wedding DVD. We'll arrive two hours before the ceremony and stay until you leave your reception, capturing everything as this day unfolds. You'll be thrilled with these once in a lifetime memories that only video can capture!

Package Includes :

Wedding & Reception - Invitation, Pre-Ceremony Preparations, Ceremony, Reception, End Montage; 5 DVD's

Raw Footage - all the footage on 1 DVD

\$2,000

Silver Package

We take great care in capturing all the emotions and thrills of your very special day. We'll arrive 1 hour before the ceremony to show your last minute preparations. After the ceremony, we'll spend one hour at your reception to capture your first dance, greeting your guests, cutting your cake and sharing your first toast together as husband and wife. We'll give you excellence in this economy package, which is perfect for the couple on a limited budget.

Package Includes :

Wedding & Reception - Invitation, Ceremony, Reception Highlights, End Montage; 5 DVD's

Raw Footage - all the footage on 1 DVD

\$1,500

Picture Montage - \$3 per Picture

This includes titles at the beginning and end, and your choice of music. These are very popular for Rehearsal Dinners, and also at Wedding Receptions. This gives your guests an entertaining glimpse of your early lives, and sparks a lot of great memories for everyone.

Our Equipment

We use Sony 3-chip digital cameras and non-linear editing equipment. Camera mounted lights are used, but not during the ceremony.
